QATAR HIGH SPEED GROUP

INTRODUCTION

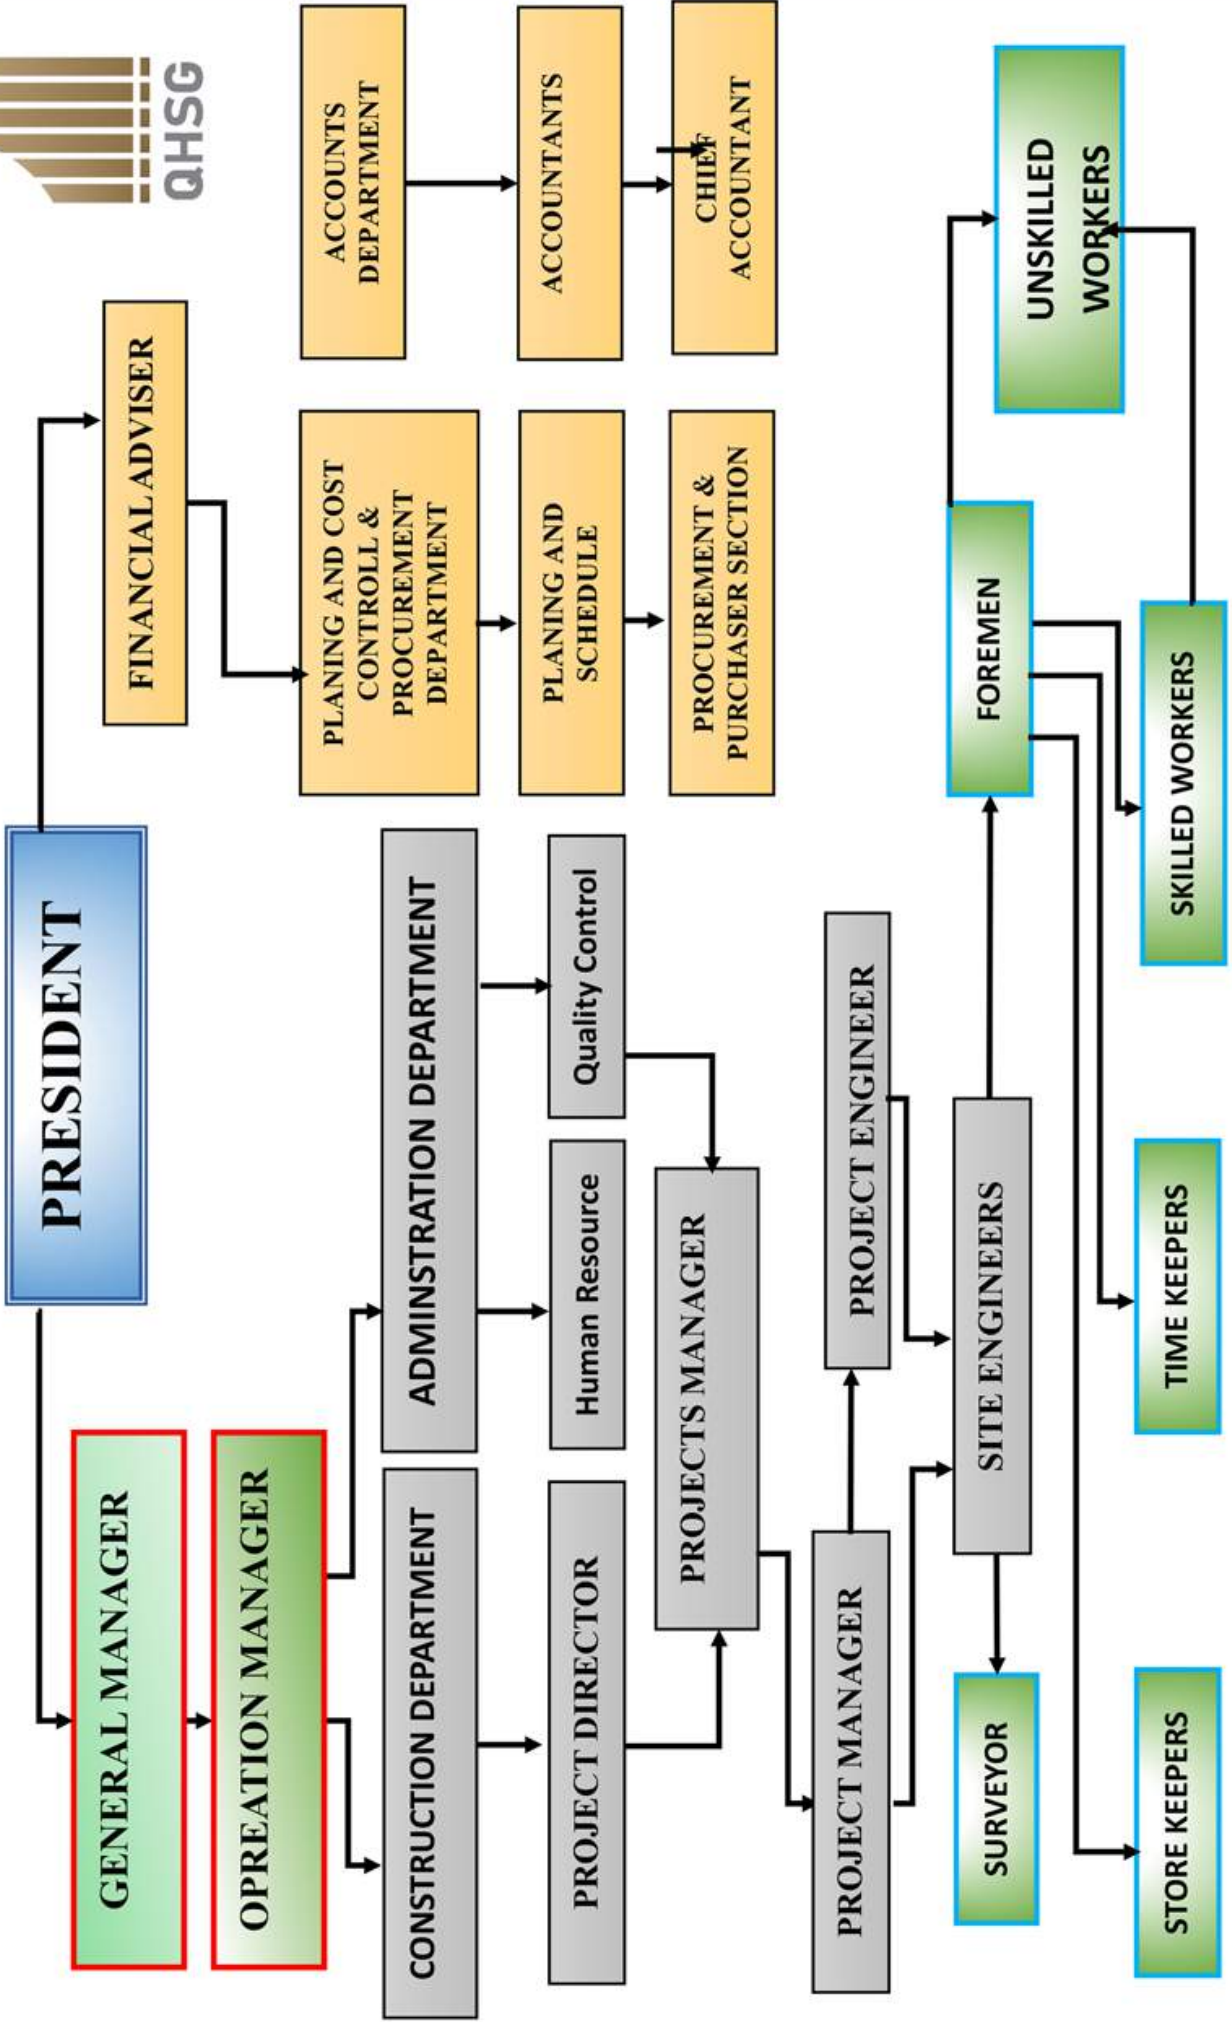

قطر های سبید جروب QATAR HIGH SPEED GROUP

INTRODUCTION

We, Qatar high speed Group Co. (Q.H.S.G) is a “Qatari Company” Grade A construction Company established in 2012 mainly focused on engineering, procurement and construction (EPC) contracts for Schools Building, luxurious villas, Factories, glamorous palaces, residential, commercial & medical Buildings. Our superior’s vision Mr. Ashraf Ebid, Chairman of QHSP & Managing Director of M/s. New horizon Electromechanical Co. and Cold Star for Refregatoration Co. and a dominant successful Business person in the State of Qatar and our hard work have gained the trust of our valuable clients. We built many unique projects in line with assistance of famous designers and architects in these preceding years. Most of our clients are V.I.P(s) & Governmental Organizations, who constantly look for inimitable ideas. We would like to extent our business relation with your esteemed organization in order to execute & enhance more projects. Please find our company pre-qualification documents for your kind review, approval and we anticipate receiving the inquiries from you for the current and future projects.

QUALITY POLICY STATEMENT:

QUALITY POLICY

QATAR HIGH SPEED PROJECTS Co. Policy is to achieve and sustain a reputation for excellence in the building construction market and shall strive to satisfy the customer's needs by executing the works to consistently high quality standards at competitive prices and within the timeframe agreed to.

Achievement of this policy involves all **QATAR HIGH SPEED** employees who are individually responsible for the quality of their work resulting a high quality of services to meet and even exceed customers' expectations.

QHSP quality objective are;

- To achieve a certification to ISO 9000:2008 standard in the near future
- To achieve and maintain level of quality which enhance Company's reputation with customers
- To ensure compliance with project requirements
- To maximize customer satisfaction with the services provided with the company

This policy is provided and explained to each employee by General Manager who is responsible for quality issues and to be review as necessary at regular intervals.

QATAR HIGH SPEED PROJECTS Co - www.qhsp.com.qa

 <p>شركة قطر هاي سبيد للمشاوره QATAR HIGH SPEED PROJECTS You Dream - We Build</p>	Type	Document	Qhsp- Qhsem-01	
		Qhse Manual	PAGE NO	2 OF 2
	Title	Qhse Policies And Procedures	EFFECTIVE DATE	

- ✚ Make all employees aware that they are responsible for their own and their colleagues and that off others safety at work.
- ✚ Protect the environment by ensuring environment awareness to all employees particularly in prevention of pollution.
- ✚ Comply fully with all laws and statutes of Qatar labor law.

Qatar high speed project bases its quality policy on it quality management system, which complies with all the applicable requirement of ISO 9001:2008 standard, committed to achieve the highest practical standard of safety and environmental protection in all spheres of its operations. Qatar high speed project management actively encourages the implementation and continuing review of safety standards. Whilst safety on site is the prime of consideration, Qatar high speed project believes that successful safety procedure must embrace all of client's activities. It is Qatar high speed firm belief that good safety and environmental protection procedure can improve the construction in term of both efficiency and value.

Qatar high speed project also consider that its safety and environmental protection philosophy must be dynamic and not static. The preparation and implementation of procedure is the beginning and not the end. Those procedure should be communicated, **reiterated, regularly reviewers and developed to suit the changing conditions.**
